

JOONDALUP MARQUEES: CAPACITY CHART

This capacity chart is a guide only and to help you plan your function. Every function is unique and the size of the marquee will depend on the style and layout of your chosen accessories. Please allow additional space for items such as Stages, Dance Floors, Bars and Buffet Tables.

We also offer a 'scaled drawing' service for confirmed bookings in larger marquees to help with table layouts etc. This service is also available to unconfirmed bookings for a small charge which is reimbursed if you book with us.

Please contact our office for a quotation or to arrange a free site visit. Prices can vary depending on the types of ground marquees are to be assembled etc.

Marquee Size in Meters	Square Meters	Seated	Standing/Buffer
